

ARTS, LOCAL PRODUCE AND RELAXATION IN MONS

From €57 pp (based on double occupancy), **INFOTEL**, a charming hotel located in the historic heart of Mons, welcomes you within a stone's throw of the Grand Place.

Discover MONS, City of Art quoted 3 times in the UNESCO World Heritage List

Infotel, a hotel with typical 18th century Mons architecture is ideally located in a charming private courtyard. You'll receive a warm 3 star quality welcome that will make your getaway unforgettable.

Just drop your suitcases and stroll along the narrow streets and the gardens of the city to go and visit one of the numerous downtown museums: the **Duesberg Museum of Decorative Arts** and its prestigious and unique clock collection, the Archive Centre **Mundaneum**,...

More things you want to do? Go to **Grand-Hornu**, a former mining site or **PASS**, the Scientific Adventures Park where you'll discover how science and technology shape today's life. From the PASS and the Grand-Hornu, you might want to go and discover an exceptional patrimony along the **Slagheaps Footpaths** (Sentiers des Terrils). Experience the only hill chain ever created by man.

Stop for a while to sip a delicious local beer on the Grand Place (Main Square) before going to **Henri's Restaurant**, an essential place of local flavor run by the same family over the last 50 years.
